

Who are we?

The School of Languages is a government school established in 1986 to enhance access, choice and continuity in language learning for South Australian learners, through the provision of quality programs in a broad range of languages R-12, that complement and supplement languages programs offered in mainstream schools and ethnic schools.

How are courses delivered?

The School of Languages offers year long courses beginning in February and following school terms. Classes are held once per week.

How do I enrol?
