

Testimonials from 2019 Let's Talk participants:

- *It exceeded my expectations because the games were fun, interactive and not frightening.*
- *By solely focusing on oral speaking, the program directly targeted one of my weaknesses and provided me with a comfortable learning space to help improve my speaking.*
- *It was more interactive and fun than I expected it to be*
- *It gave me a chance to use the words I already knew in a more comfortable environment and helped with pronunciation and confidence.*
- *It really was amazing! I loved every bit of it because the presenter made the sessions so fun and entertaining*
