## Dear parents/caregivers

Thank you for your enquiry about language studies at the School of Languages. Whether your child already has some knowledge of the language they wish to study, or is starting from the beginning, the benefits of language learning for their education and personal development will be long lasting.

Being able to communicate in another language has obvious practical benefits in an increasingly globalised world. Research provides clear evidence of the positive influence of language learning on students' literacy skills and on their cognitive and intellectual development. The earlier children start learning a language and the more languages they learn the better their chances for future success.

At the School of Languages students are involved in an engaging program developed around their knowledge and skills. They learn how to communicate in the language of their choice, to make comparisons between their own language and the one studied, and to reflect on themselves as learners.

We highly value the partnership between our school and our students' families, and encourage you to take every opportunity to engage in your child's progress in the language they are studying with us and the development of their intercultural experiences.

Your feedback on how these partnerships can be further strengthened is greatly appreciated.

We hope that you will find the enclosed information both relevant and useful. Please note that our website [www.schooloflanguages.sa.edu.au](http://www.schooloflanguages.sa.edu.au) also has further information.

The School of Languages is on Facebook and Instagram and I invite you to Like, Follow and Share our page!

## SECTION 1:

### Useful information before lessons start

#### Language Offerings

The School of Languages offers 23 languages in 29 different locations around the broader metropolitan area. These lessons are carried out after school hours.

For the most up-to-date list of languages, courses and Teaching Centres, please refer to the Years 7-12 Timetable which can be found on the School of Languages website at [www.schooloflanguages.sa.edu.au](http://www.schooloflanguages.sa.edu.au)

#### Enrolment procedures

All enrolments must be discussed with a School of Languages enrolment officer prior to submitting an enrolment form. You can contact the School on 8301 4800 during office hours to speak to an enrolment officer.

Once enrolments are approved, students will receive a Confirmation of Enrolment letter via email, along with other information relevant to language learning at the School of Languages.

#### First lesson

All classes begin in Term 1, Week 2. During this lesson detailed information about the course will be provided.

#### Where to report for the first lesson

Students attending Adelaide High School classes should report to the foyer of the front entrance on West Terrace, as indicated on the map which will be emailed with the Confirmation of Enrolment letter. From here students will be directed to their classroom.

Students at all other Teaching Centres should report to the Front Office and from here students will be directed to their classrooms.

#### Dress code

Students who have a school uniform may wear this to class. Otherwise, neat casual clothes are expected.

## SECTION 2:

### School expectations

#### **Attendance / absences**

Regular attendance is essential to students' progress in their language learning. Given that the School of Languages lessons are held once a week, being absent for one lesson means missing out on an entire week of learning.

To report student absences or lateness, please advise us in advance through one of the following means:

- phone the School on 8301 4800, Monday-Friday between 8:30am and 3:30pm, or Saturday between 8:30am and 12:00pm, or leave a voice message outside of business hours
- email the teacher (the email address is provided on the Weekly Lesson Plan) or the School on [dl.1802.admin@schools.sa.edu.au](mailto:dl.1802.admin@schools.sa.edu.au) (before 4:00pm if possible)
- text only absence notification on 0418 149 916 (Monday-Friday before 4.00pm)
- for classes held at Adelaide High School, phone the Supervisor on 0403 607 566 between 4:30pm and 6:00pm or send an email to [ahs.supervisors460@schools.sa.edu.au](mailto:ahs.supervisors460@schools.sa.edu.au) (before 4:00pm if possible)
- for classes held at the School of Languages send an email to [Sol.Supervisors218@schools.sa.edu.au](mailto:Sol.Supervisors218@schools.sa.edu.au) (before 4:00pm if possible).

If your child is late to class or absent without prior notice, you will be notified via an automatically generated SMS, to which you are requested to reply with a reason for the absence.

#### **Late arrivals and early departures**

Students who have no choice but to arrive late or leave early on a regular basis must negotiate this with the teacher and complete the relevant form, available in class. If students are late on a one-off basis, please use one of the above mentioned methods to inform the teacher or the School of Languages.

Students will not be given permission to leave a class early unless a valid reason is provided in writing by parents/caregivers or the day school. A promise to bring a note the following week will not be accepted.

#### **Extended absence**

In the case of an extended absence such as a family holiday, the Principal must be notified in writing, prior to the absence.

#### **Early dismissals**

As a rule there are no early dismissals. When special arrangements occur, students and parents/caregivers are advised in advance.

#### **Leaving school grounds**

Leaving school grounds or unsupervised areas is not allowed during lessons, including recess times. This rule is in the interest of students' personal safety. Students are informed of what constitutes the supervised area at their first lesson.

## Food and drink in teaching centres

Students may bring bottled water to class. The consumption of food and other drinks is permitted only during the recess break and outside of the classroom. No nut snacks are permitted. If your child has any serious food allergies please notify the School.

## Withdrawals

Parents/caregivers or day schools are required to formally advise us of a student withdrawal (initially with a phone call to the School or a note to the teacher) so that the necessary paperwork can be completed. Once this has occurred, the student's day school (if applicable) will be notified in writing.

For SACE students, failure to formally withdraw could lead to a 'fail', as notification of withdrawals is required by certain dates. Your cooperation in this important matter is crucial.

## Getting the most out of language studies

Learning a language is a cumulative process requiring commitment and provides many rewards.

Success and achievement in language learning occur in a context of regular contact with the teacher and the language learning community.

For a student at the School of Languages success and achievement depend on:

- **good organisation and study habits**

Attendance alone is not enough. Students need to develop skills for independent learning and engage with the language between lessons. This can be achieved through:

- private study and completion of homework tasks
- using the class Microsoft Teams resources
- reading in the language and practising oral skills
- engaging in web-based language activities
- watching films and listening to podcasts in the language.

- **regular completion of homework**

Homework is an essential part of the program. The recommended minimum times per week are:

- Years 7-10: 1½ hours to 2½ hours
- Years 11-12: 3-4 hours.

- **a clear understanding of the role that assessment plays in language learning**

Regular assessment provides an opportunity for the student and the teacher to measure a student's progress and to reflect on the learning and teaching process. It provides milestones for students to work towards and helps students to manage their learning.

There are two major types of assessments in our language courses:

- **Formative**

This type of assessment is ongoing throughout the year. The purpose of this type of assessment is to provide feedback to the student and to the teacher on the student's progress. It consists of homework, class activities and tasks.

- **Summative**

This type of assessment measures how well students have met the outcomes of the course. The marks from these assessment tasks contribute significantly towards the term reports. In the case of SACE students, they are the marks that form the basis of SACE achievement results.

## Behaviour code and expectations

We believe that all students should feel comfortable and safe so they can succeed in, and enjoy, language learning in a supportive environment. Our expectations have been set up to make sure that all students achieve the most out of their time at the School of Languages.

The School's Code of Conduct emphasises that students are responsible for their own behaviour and that all behaviours, positive and negative, are a choice and lead to consequences. It is underpinned by the assumption that teachers have the right to teach and students the right to learn in an environment that is safe and free of harassment and discrimination.

To support learning, secondary school students may use their mobile phones and personal devices during lessons, under the direction of the teacher for designated learning activities that require their use.

The management of student behaviour is a responsibility shared by the School of Languages, parents/caregivers, students' day schools and, of course, the students themselves. Parents/caregivers can expect that lateness, absence, disruptive classroom behaviour, or failure to complete work on time will be followed up by teachers or Coordinators at the School of Languages. Where appropriate, students' day schools will be contacted. In the case of extremely inappropriate behaviour or repeated non-compliance with the School's expectations, the Principal reserves the right to review a student's enrolment.

## Electronic devices

Mobile phones may only be used for emergency contact between home and student, unless used as part of a teaching and learning activity.

Please note: The School's Code of Conduct, Mobile Phone and Personal Devices Policy, Cyber-safety Policy and Drug Policy can be found at [www.schooloflanguages.sa.edu.au](http://www.schooloflanguages.sa.edu.au)

## Emergency contact procedure

In the event of an emergency during lesson time, please use the following procedure:

1. For classes held at Adelaide High School only:
  - phone the Supervisor at Adelaide High School on 0403 607 566.
2. For classes held at the School of Languages only:
  - phone the Supervisor at the School of Languages on 8301 8400.
3. For classes held at other Teaching Centres only:
  - phone the School of Languages on 8301 8400 until 4:30pm, and the School will contact the appropriate Teaching Centre.
  - phone the Supervisor at Adelaide High School on 0403 607 566 after 4:30pm, and the Supervisor will contact the appropriate Teaching Centre.
4. For classes held on Saturdays only:
  - phone the School of Languages on 8301 8400 and the school will contact the appropriate Teaching Centre.

## SECTION 3:

### How parents can help their child with language studies

There are many simple things parents can do to assist their child to maximise their learning of the language:

- Encourage your child to take pride in language learning.
- Ensure that your child attends lessons regularly. Being absent for one lesson means missing out on a whole week of learning.
- Find out what was taught in class and what is set by the teacher to be completed at home, and help with homework. This information can be found in the Weekly Lesson Plan, which students receive in every lesson.
- View the online materials and activities for your child's class on Microsoft Teams.
- Communicate to the teacher any information about their child's learning that will enable the teacher to provide the best possible support.
- Become an advocate for language learning and promote its benefits throughout the wider community.

#### **Communication**

Most of our communication with parents/caregivers is via email or SMS. It is critical that you advise us of any change to your contact details as soon as possible.

Parents/caregivers are encouraged to communicate any information that will support their child's learning, (eg, if the child is following a Negotiated Education Plan in their day school, any health issues, etc.).

Any issues, comments or concerns about your child's learning should be raised directly with the teacher in the first instance (the teacher's email address is on top of the Weekly Lesson Plan), then by phoning the School on 8301 4800, if need be.

#### **Parents as volunteers**

At the School of Languages we believe that volunteers make a significant contribution to the school community by giving their time and sharing their skills and expertise with others.

For the latest updates or detailed information on how to become a volunteer at the school, please go to our website at [www.schooloflanguages.sa.edu.au](http://www.schooloflanguages.sa.edu.au).

## School Council

The School Council is a vital advisory body for the School. Its role is to:

- provide general oversight for the well-being of the School
- advise the Principal on the correlation between the work of the School and the educational needs of the School community
- broadly consider the School's general education policy and provide advice to the Principal on School community views regarding any new educational developments
- in liaison with the Principal, make decisions on the distribution of School finances.

The School Council may form a number of committees to advise it on various aspects of the School. There are eight positions for parent representatives and one position for a student representative on Council. Elections take place at the Annual General Meeting in March.

The student representative on Council also chairs a School Student Council. The role of this student body is to enhance student voice within the School.

## Parent / caregiver information sessions

These sessions, held in Weeks 3/4 of Term 1, serve as information forums and give parents/caregivers a chance to:

- meet members of the Leadership Team, teachers and other members of the School community
- provide feedback to the School on how it is meeting the needs of students and ways of further improving its services
- ask questions specific to each language and Teaching Centre as required.

The sessions may be face-to-face or online. Further information will be provided in the Term 1 Newsletter.

## Parent / caregiver / teacher interviews

Parent/caregiver/teacher interviews are held in Term 2. Interviews are by phone or online, or parents can request a face-to-face interview.

They provide a formal opportunity for parents/caregivers to discuss their child's progress and to discuss ways of making sure they achieve their best while studying at the School of Languages.

Parents are also welcome to discuss their child's progress with the teacher at any time during the year.

## SECTION 4:

### Curriculum information

For each course taught at the School, comprehensive curriculum planning is undertaken and documented at the following levels:

- **Course Overview** - outlines the key concepts, themes, topics, main grammar and linguistic elements and cultural understandings, that will be covered in the course. This document can be found on the School website.
- **Module Plan (Years 7-10)** - translates the Course Overview into a comprehensive statement of student learning term by term. The plan includes concepts, skills and abilities that will be taught and a description of the major assessments.
- **Learning and Assessment Plan (Years 11-12)** - based on the relevant SACE Board curriculum documents, the Learning and Assessment Plan includes descriptions of assessments, their weighting, due dates and assessment design criteria.
- **Weekly Lesson Plan** - a detailed lesson plan that contains information about learning intentions, content covered in class, tasks set for homework, information about upcoming assessments and teacher contact details.

Each of these curriculum documents is distributed to students and can also be found on Microsoft Teams.

Student learning is assessed and reviewed on an ongoing basis, both in a formal and informal manner, and progress reported to parents through the reporting process.

#### **Microsoft Teams**

Each class has an e-learning space, Microsoft Teams, which provides a platform for students to receive support from their teacher and each other. The above mentioned curriculum documents, lesson materials and other relevant resources, such as useful links, audio and visual resources, are shared on Microsoft Teams to allow students to engage with the language learning in-between lessons.

### Courses for students in Years 7-10
