Hindi Years 9-10 Achievement Standard

By the end of Year 10, students initiate, sustain and extend a range of spoken and written formal and informal interactions about young people's interests, behaviours and values, for example, आप कब वापस आये?, आप के जीवन में सुखी जीवन को उत्तमता करनेके क्या उपाय हैं? तुम्हारे विचार में संयुक्त और एकल प्रिवार में सेकौन सी पारिवारिक सरचना आज के युग में क्या दायरा उपयुक्त है? आप के विचार में आज की युवा पीढ़ी पर लिंक्स का प्रभाव पड़ रहा है? तुम अपनेदोषता के बारेमें कुछ बताओ। They participate in activities that involve interactions, transactions, negotiations and managing different opinions and social/cultural behaviours, for example, यह ठीक है, हम सब मिल कर करेंगे, हमें इस में कुछ लिंचर भी सिखामिलत करनेचाहिये?, क्या न हम सब ..., यही उचित रहेगा। आपको इसमें सेएक चुनना है। When interacting, they use culturally appropriate expressions and protocols, for example, धृत्यवाद, आप का बहुत बधाई हो। अपनी पुत्री के शुभ विवाह पर मैं आपको आमंत्रित करना चाहता हूँ। मैं नेहा बेटी को आशीर्वाद देनेजाएँ आँगा। यह मेरा सौभाग्य है कि आप नेमुझे इतने महान् वपूर्ण अवसर में सिखामिलत होनेका अवसर दिया, लिंक्स तुमसे लिंक्सी कारणवश नहीं आ पाऊँगा। They extend discussions and justify their views by asking open-ended questions and providing elaborated responses, for example, इस विषय पर आपके क्या विचार हैं?, आप क्या सोचते हैं?, इसका क्या प्रभाव पड़ेगा मुझे वितार सेबताओ। मेरे कहनेका ताप्यर है कि ..., तुम यह कहना चाहते हो लिंक..., मुझे लगता है कि When speaking, they apply pronunciation rules and rhythm, including social and regional variations, to complex sentences. They research, interpret and evaluate information and perspectives on social issues or issues of interest to

young people, and identify how culture and context influence the way information is presented. They convey information and perspectives using different text types and modes of presentation. They respond to different expressive and imaginative texts by analysing techniques and cultural influences used for aesthetic, humorous or emotional effects. Students create imaginative texts to express ideas, attitudes and emotions through characters, events and settings relating to bilingual and bicultural experiences. When creating texts, they use a variety of grammatical elements, such as joining rules, for example, आ+ओ=औ, क्+अ+ल= कल, कारक ; case, for example, ने, को, से, के लिए, मा, पर; and a range of tenses and participles, for example, आ, ई, ऐ, जाना, वाला, रहा, सकना, पहुँचना, दिलाली जानेवालेलोग, साइकिल पर लड़की चल रही है to produce complex sentences such as मा पहलेदिलाली जाऊँगा फिर वहाँसेबाबई जाऊँगा; कल मा काम खाम कर के आपनेसाथियो के साथ खेलनेजाऊँगा. Students compare translations and interpretations of literary, community and social media texts, including those that use both Hindi and English. They create a range of bilingual texts that reflect the nature of their own and each other's intercultural experience. They describe their experience of being bilingual or multilingual and explain the relationship between language, culture and identity. Students apply their understanding of complex pronunciation rules and writing conventions, such as variations between spoken and written Hindi and between Sanskrit and Perso-Arabic script. They explain how elements of grammar and word formation allow for the expression of ideas and meaning. They analyse and construct a range of texts for different purpose and audiences and identify cultural, textual and contextual features. They explain how and why variations in Hindi language use relate to roles, relationships and contexts of interaction. Students identify and categorise changes to Hindi and to other languages in different domains of use such as education and popular culture. They explain how being bilingual or multilingual affects the ways they and their peers think, behave and communicate.

Please note: This Course Overview may change to accommodate students' prior knowledge and/or combined year levels.
