

SACE COURSE OVERVIEW 2023	LANGUAGE: KOREAN	COURSE TYPE: BEGINNERS	YEAR LEVEL: STAGE 1
----------------------------------	-------------------------	-------------------------------	----------------------------

This course focuses on developing communication skills in Korean (speaking, listening, reading & writing), developing understanding of language as a system and enhancing intercultural understanding. Detailed information is available from the Subject Outline accessible from the SACE Board web site: <http://sace.sa.edu.au>

Within the set Perspectives, Themes and Topics, students are given an opportunity to improve their communication skills, and their understanding of the language and the culture. They are assessed through a series of required assessment types as outlined in the Subject Outline. A Learning and Assessment plan will be given to students at the beginning of the course. As per SACE guidelines, students will be assessed against set criteria. Grades will result from student performance against the Performance Standards at A+ - E- level. In order to make the most of student potential, 5 capabilities have been incorporated into the language program. These capabilities are communication, citizenship, personal development, work and learning. The capabilities enable students to make connections in their learning within and across subjects in a wide range of contexts.
