

Term 3 2023

Dear Students and Parents/Carers,

As Term 4 begins, we are embarking upon the process of re-enrolling students for 2024.

We hope that you intend to continue studying your current language with us in 2024. Please note that we will automatically re-enrol you for the next year level, unless you advise us otherwise.

If you decide not to continue with this language in 2024 please let us know by **FRIDAY 17 NOVEMBER (WEEK 5)** and we will cancel your enrolment. You can advise us of your decision by:

- Returning the reply slip below to the school or
- Emailing the school at dl.1802.admin@schools.sa.edu.au or
- Telephoning the school on 8301 4800

If you do decide to continue studying with us next year, you do not need to inform us. However, please advise us if there will be any changes with respect to your personal details, for example, change in phone number, address details, day school, teaching centre, etc.

Enclosed with this letter is a copy of the 2024 Timetable, which you can refer to for teaching sites and lesson times. A confirmation package will be given out in class in Term 4 Week 7.

You may also be interested to know about commencing the study of another language in 2024, at Stage 1 Beginners level (subject to SACE Board eligibility requirements). For further information about this option please contact the school.

NOTE: If you will be attending a day school, where you will be studying the language you study at the School of Languages, you must have a letter of approval signed by your day school Principal to continue your language studies with us.

All classes in 2024 commence in the week beginning **Monday, 5 February 2024. (Term 1 Week 2, 2024)**

Please do **not** make any payment until you receive an invoice in 2024.

If you have any questions regarding the re-enrolment process for 2024 please do not hesitate to contact the Front Office on 8301 4800, or check our web site for further information. Thank you for your assistance.

Yours sincerely
