

WHO ARE WE?

The School of Languages is a government school established 37 years ago. We offer 22 languages after school hours, in 25 different locations around the metropolitan area, to over 2,000 students from all schooling sectors.

Our aim is to enhance access, choice and continuity in language learning for South Australian learners. Our programs complement and supplement languages programs offered in mainstream schools and community schools.

WHY ENROL?

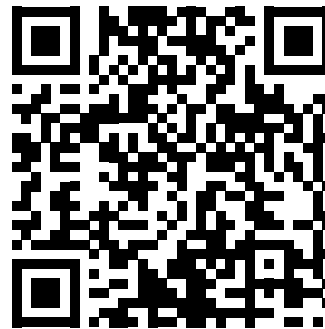

- * Courses offered out-of-school hours without clashing with your day school's timetable.
- * End of Term reports sent home and to your day school.
- * The more languages you learn the better job opportunities you'll have in the future.

ABOUT AUSLAN

Auslan (Australian Sign Language) is the language of the Deaf community of Australia. It is a visual gestural language which has, like other signed languages around the world, been recognised as an official language. Auslan can be traced back to the arrival of Europeans in Australia in the late 1700s and early 1800s, with British Sign Language (BSL) users arriving in Australia as convicts and as free settlers.

Although now considered a relatively young language in its own right, the ancestral link Auslan shares with BSL and other related sign languages means it is a member of one of the oldest continuing signed language families in the world.

Auslan as part of the Australian Curriculum recognises the place and significance of Auslan and of the culture of the Deaf community in Australia.

The second language learner pathway provides hearing children who have had no exposure to the language with the opportunity to learn to communicate using Auslan.

Adult classes in Auslan cater for those looking to interact more fully with the Deaf community in language. For example, those working or volunteering in the Deaf community or those with deaf family members.
