

WHO ARE WE?

The School of Languages is a government school established 37 years ago. We offer 22 languages after school hours, in 25 different locations around the metropolitan area, to over 2,000 students from all schooling sectors.

Our aim is to enhance access, choice and continuity in language learning for South Australian learners. Our programs complement and supplement languages programs offered in mainstream schools and community schools.

WHY ENROL?

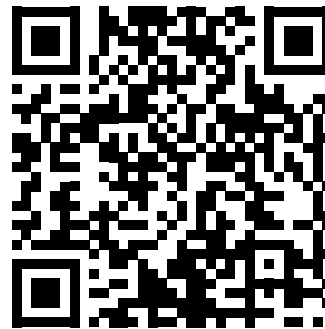

- * Courses offered out-of-school hours without clashing with your day school's timetable.
- * End of Term reports sent home and to your day school.
- * The more languages you learn the better job opportunities you'll have in the future.

Department for Education

ABOUT KHMER

Khmer is the national language of Cambodia and is also used by communities in Thailand and in the south of Vietnam.

The Khmer language is the language of an ancient civilisation, which has contributed much to the culture of South-East Asia, in particular to the development of art and architecture, music, dance and religious thought.

There is a growing community of Cambodians in Australia, and as Australia's links with South-East Asia are strengthened, the importance of learning Khmer increases.

Being able to communicate in Khmer enhances travel and promotes understanding, harmony and cooperation with Khmer-speaking communities in Australia.
