

WHO ARE WE?

The School of Languages is a government school established 37 years ago. We offer 22 languages after school hours, in 25 different locations around the metropolitan area, to over 2,000 students from all schooling sectors.

Our aim is to enhance access, choice and continuity in language learning for South Australian learners. Our programs complement and supplement languages programs offered in mainstream schools and community schools.

ABOUT ITALIAN

Italian, also known as Standard Italian or italiano standard, is the official language of Italy, the Vatican City, San Marino and parts of Switzerland. It is also an official language of the European Union. Italian is, and has been for many years, one of the major community languages in Australia and has been taught in Australian schools and universities since the 1930s.

Italian belongs to the Romance family of languages and is closely connected to its 'sibling' languages of Spanish, Portuguese and French. It is mostly a phonetic language, pronounced generally as it is written, which is especially helpful in the development of listening and speaking skills.

There are also regional dialects of Italian that are used in local contexts both in Italy and beyond. Some students may bring their experience of the use of regional dialects to the Italian classroom.

Learners of Italian in Australian schools come from a wide range of backgrounds, and include learners for whom this represents a first experience of learning Italian; learners who have existing connections with Italian, most directly as background Italian speakers, as second or third generation Italian Australians; and learners who may have experience in a related variety of Italian or another Romance language.
